

To WHOM IT MAY CONCERN

Dear Customers

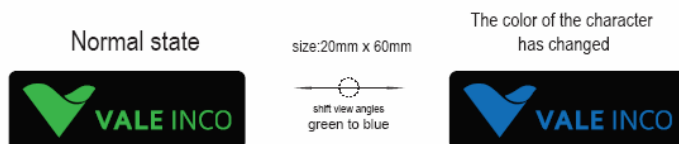

Subject : Incomond® Nickel Chloride

Thank you for your interest in Vale Inco Incomond® Nickel Chloride.

We are pleased to inform you that we are now also supplying our Incomond® Nickel Chloride from Taiwan. In line with our packaging rebranding campaign, you will find a new look of our Incomond® Nickel Chloride.

The new packaging will be identified by the use of the Vale Inco name, as well as the branding shown below.

The anti-fake label is found at the bottom of the bag, and its color will change from green to blue subject to the view angle.

Apart from the changes in the artwork of the packaging and the origin, basically, the Incomond® specification remains high quality on which you can rely.

Chemical Composition (percent) by weight

| | |
